A STUDY ON EMOTIONAL INTELLIGENCE AND ITS IMPACT ON TURNOVER INTENSION OF EMPLOYEES IN HYUNDAI DYOMS INDIA AT SRIPERUMBUDUR, CHENNAI

MRS. B ASHA, DR. JAYASREE KRISHNAN

ABSTRACT

In this study, an increased level of emotional intelligence is linked to the higher use of transformational leadership behavior and proper communication with superior in Hyundai Dymos India company mid-managers and employees. The findings from this study indicate that leaders and superiors can develop and strengthen emotional intelligence and in doing so, can more likely exhibit the use of transformational leadership behaviors.

KEYWORDS: emotional intelligence, hyundai dymos.
